Now therefore, with a view to provide criteria for selection of best students , best teachers and best lecturer for different categories of awards, the State Government is hereby pleased to frame the following guidelines, namely:-

I. Selection Criteria for the selection of Best Primary Level Student:

The Selection Committee shall follow the following guidelines for selecting the **Best Primary Level Student**, namely:-

1. The student should have consistent academic record of overall 70% marks and not less than 60% marks in Mathematics and Environmental Studies and this fact has to be supported by his/her Progress Report Cards of Annual Examinations from Classes I to V.
2. Attendance of the selected student should not to be less than 90% from Class I to Class V. In case of death of parents, however, shortage in attendance would be condoned.
3. The student should have participated in co-scholastic activities with exemplary performance supported by evidence of participation in essay, debate, quiz, painting, sports and cultural competitions.
4. Repeaters shall not be considered.
5. The Committee shall also assess the value dimensions i.e. the overall behavioral pattern of the student through Anecdotal Records maintained by the school. The Head of School shall submit a brief report on Anecdotal Record so maintained in respect of the student nominated for the award.
6. In order to select the Best Primary Level Student at the State level, the preliminary selection will be done at the Complex level with the Complex Organizer as the Chairman of the Selection Committee and all Heads of Feeder Schools as Members. One Head of the Feeder School will be nominated as Member Secretary.
7. Each Complex will select one Best Student of the Complex and recommend the name of such student to the Departmental Committee through the District Committee formed under the Chairmanship of the Joint Director of the District with Deputy Directors, Principals of Senior Secondary Schools and Heads of Secondary Schools as Members and one of the Assistant Directors as Member Secretary on or before 30th April every year. From among the best students of the Complex level, the Departmental Committee will select ten best students and from among these ten best students, the Departmental Committee will select one best student after thoroughly examining the records. The Departmental Committee will then recommend the name of such best student to the highest State Level Committee for final selection.

II. Selection Criteria for selection of the Best Secondary Level Student:

The Selection Committee shall follow the following guidelines for selecting the **Best Secondary Level Student**, namely:-

1. The student should have consistent academic performance from Classes VI to Class XII.
